Hi Kristen,

Thank you very much for submitting VADEQ's QAPP for the TAME Study for review. I have attached a review memo that includes comments that must be addressed prior to the QAPP obtaining EPA Region 3 approval. Please address each comment and submit the revised QAPP for review and approval in a timely manner so that an approved QAPP is in place prior to the start of this study.

If you have any questions about the comments provided, please do not hesitate to reach out to me.

Best,

Verena Joerger
